# BKLYN LARDER

CHEESE & PROVISIONS

## **ABOUT THE CLUB**

The Bklyn Larder Cheese Club is a celebration of the seasonality of cheese. From aged Alpines and Goudas that warm and sustain us in the cold winter months, to fresh goat cheeses that pair wonderfully with summer berries and rosé in the warmer months!

With the Bklyn Larder Cheese Club, our mongers will select three cheeses at their peak to be shipped every first Tuesday of the month.

Each wedge will weigh in at half a pound, which culminates into over a pound of the best cheeses we have to offer.

## **Cheese Care Tips!**

Your cheese is almost ready to enjoy! If you're planning on eating it upon arrival, first take it out of its wrapper (save that cheese paper for later!) and let it breathe a little. You'll want your cheese to be at room temperature when you serve it—30 minutes usually does the trick. If you're saving it for another time, keep it wrapped and pop it in the fridge, then follow the same serving instructions when it is time to enjoy.

To store any leftover wedges, re-wrap in cheese paper or wrap in parchment paper then plastic wrap/ a ziploc bag. Alternatively (and creatively), you can turn a tupperware container into a cheese dome! Use the lid (upside down, so the inside surface is on top) as a plate, then top with the overturned bowl.

Refrigerate.

## **HOW IT WORKS**

You have already received your first shipment of cheese (enjoy!). Depending on your subscription duration, you will continue to receive shipments of 3 seasonal cheeses (and their descriptions!) every first week of the month.

## **Going out of town?**

The Cheese Club ships every first Tuesday of the month and will arrive on either the first Wednesday or Thursday of the month. Should you be out of town (we hope you enjoy your trip!) please give us a call at (718) 783-1250 and we will gladly hold the shipment until your return!
